

Hi Everyone I'm

Hala Aldabbas

My passion for programming started with joining the Coding Academy by Orange.

Hire Me

About me

Working with passion

I am a front-end web developer trainee, holding a bachelor's degree in Communication Engineer.

My passion for programming started with joining the Coding Academy by Orange, where I learned digital skills and gained real-life experience in HTML5, and CSS3, in addition to creating wireframes and mockups.
